Materials

Embroidery fabric (Ivory)
 --Patterns are printed--
 No.25 Embroidery Thread
 Needle for French Embroidery

Pattern

* 2 strands of embroidery thread used for this project. (Unless otherwise stated in chart below)

* ★ = starting point. | No ★, start where you like.

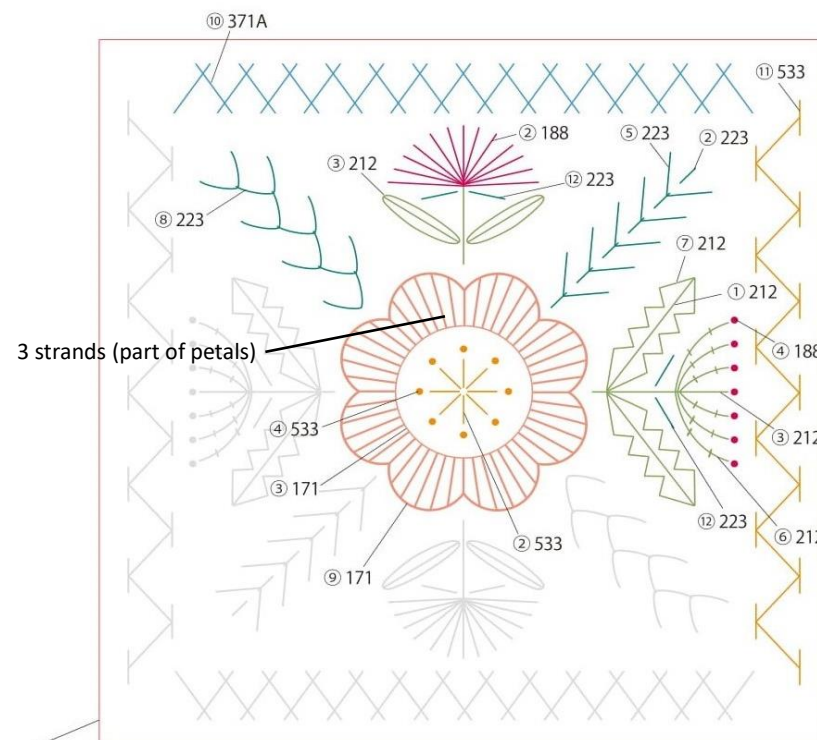

Please don't stitch on this line. The line will be guide to make a coaster.

How to read the Chart

Stitch with instructed color thread with matched stitch method(page 3.)

For example ⑧223----- use 223(color No.) with ⑧ Feather Stitch.

Thank you for your purchase of OLYMPUS kit.
Please read all instructions before starting.

Before starting

- Please be careful when handling needle.
- Enough thread is included as long as you stitch following the instructions.

How to handle thread

OLYMPUS Embroidery threads are characterized by their distinctive shine.
Handle with care so as not to damage thread.

- ◆ 1 pcs #25 thread consists of 6 strands twisted loosely.
To make stitches look plump, pull strands respectively from thread and put required number of strands together for use.

☆ To start stitching

To make a knot:
Wrap the thread 2 or 3 times around the needle and pull through.

☆ To finish off stitches

How to make a coaster.

- ◆ You can make 2 coasters from this kit.

- ① Trim back approx. 1.5cm from the finish line once the embroidery stitches are complete.

The guideline will be 13cm x 13cm. (1.5cm outside the finish line)

- ② Cut the guided line

- ③ Fold the edge over 3 times.

- ④ Slip stitch in place to complete.
